

MSI is pleased to announce our 2010 Winter Goalkeeping Program for Recreational Program players in grades 3-5 and U10 or U11 Classic players. Each clinic will have a strong focus on the fundamental technical skills of goalkeeping, with the objective of quickly helping each young goalkeeper develop a higher level of confidence in their abilities. In addition, some tactical work will be included to provide logical connections between the technical and tactical elements of the game from a goalkeeper's perspective. Participants will be grouped by age and current ability levels, so as to provide each the opportunity to work on skills that are appropriate for their developmental stage.

The goalkeeping program will consist of four 1-hour classes and will be held at the Rockville Sportsplex (Southlawn Court) on the following days and times:

Wednesdays (1/6-1/27) from 4-5 pm

Wednesdays (2/3-2/24) from 4-5 pm

Thursdays (1/7-1/28) from 5-6 pm
