

M-NCPPC field usage/closure guidelines:

The following guidelines have been established by Maryland National Park and Planning and Montgomery County regarding use of athletic fields. Athletic fields should not be used:

1. when water is standing on the field
2. when ½ inch of rain or more has fallen within the previous 24 hours
3. when the ground is frozen
4. when the ground feels “spongy” or has clumps on the field
5. when rain is falling steadily.
6. when a lightning or electrical storm is occurring
